

Issue	% Agree or strongly agree	Average score	Need more info
Overlapping village, town, and county services should be consolidated wherever possible	100.0%	1.72	2.0%
Broadband access should be pursued to attract jobs to the area	97.7%	1.56	4.4%
The State should conduct regular water quality surveys of all waterbodies in the Adirondacks and produce a master plan for water quality management	93.6%	2.13	7.8%
The State should implement a Park-wide road management plan that balances environmental impacts with convenience and safety	93.2%	1.55	13.7%
Improved state-wide standards of water quality are needed, for example, strengthened fecal coliform limits	93.0%	1.65	15.7%
Seasonal and full-time residents should be assessed and taxed equally	91.8%	1.65	3.9%
We need more middle-income housing	91.7%	1.19	16.3%
The State should survey all Adirondack waters, identify those with invasive species, and produce a plan for their elimination or control	91.3%	1.39	9.8%
Assessment and taxation town-by-town creates inequities	90.9%	1.41	12.0%
Enforcement of existing land use codes should be strengthened	90.5%	1.45	14.3%
Road salt is a serious problem, killing road-side trees and foliage and polluting streams and lakes	89.6%	1.29	5.9%
State-issued unfunded mandates, i.e., where towns and villages must spend their own funds to implement new State regulations, should be eliminated	89.6%	1.38	5.9%
Education should be funded by other than property taxes, in whole or in part.	88.6%	1.43	13.7%

Projects like the Adirondack Carousel project will benefit Saranac Lake by bringing in tourists and creating jobs	87.9%	0.94	21.4%
The Community Store is a good way to improve availability of goods and create jobs	87.1%	1.58	22.5%
Boats leaving lakes with transferrable invasive species should require inspection before launch on pristine lakes	85.1%	1.40	7.8%
Invasive species eradication and control programs should be managed and paid for at the State level	84.1%	1.27	13.7%
State land should be assessed fairly and identically to private land, as required by law	76.2%	0.88	17.6%
"Sprawl" is a growing problem in the Adirondacks	74.4%	0.85	23.5%
Tax increases should be capped at cost-of-living increases until the property is sold	72.7%	1.00	12.0%
There should be Park-wide limits on retail building and shopping plaza sizes	70.7%	0.83	18.0%
I do not agree that my property taxes are fair	68.1%	1.02	6.0%
There should be Park-wide standards on where personal watercraft may be used	66.0%	0.72	7.8%
The Adirondacks should have a single Park Commissioner to oversee the APA, DEC, Department of Transportation, etc.	65.0%	0.75	21.6%
Any new development should be permitted only if within a voter-approved master plan	64.1%	0.64	23.5%
I do not believe my assessment is correct	36.4%	0.27	12.0%
