

The Senior Professional Golf Tour is coming to Lake Placid, NY!

The Adirondack Senior Open will be held August 28- September 1, 2011 at the Whiteface Club & Resort. This is part of the Sunbelt Senior Tour, which is the largest and longest running Senior Tour in the country under the Champions Tour. In fact, many of the Champions Tour Members participate in the Sunbelt Senior Tour events when they have an off week.

Many players coming off the PGA Tour or European Tour come play the Sunbelt Tour to keep their games sharp in preparation for moving onto the Champions or European Senior Tours. "With over half of our members having current or past status on one of the major tours it provides for very strong fields every week in our events" according to tournament director Tom Eubank. "The Adirondack Senior Open is part of our series 4 which has the largest prize money and best fields of the year so far". This promises to make the Adirondack Senior Open a great success.

The Adirondack Senior Open will benefit the Adirondack Carousel & Community Center. This not-for-profit project will create a multi-purpose facility to educate, entertain and support families in the Tri-Lakes region. Located at William Morris Park, the Carousel will be built next to the tourist train that links Lake Placid and Saranac Lake and will feature a new playground, community rooms and custom-carved animals native to the Adirondack region."

There will be a FREE Junior Clinic on Monday August 29th at 5:00 pm open to the entire community. We will be offering hands on lessons to the juniors and sponsors during this clinic. At 6:30 pm there will be a cocktail party business mixer for all players and sponsors. Non golfing guests from the local community are invited for a small fee. For only \$30 you will enjoy hot appetizers and complimentary beer and wine along with helping the charity out immensely. All sponsors and golfers are free. The pro-am will be a full day of festivities on Tuesday August 30th. The Professionals will continue to play through Thursday September 1st and the public is welcome to come out and watch all the action FREE of charge.

For sponsor or pro-am participation information please contact Tom Eubank directly at info@charityproamtour.com or call 404-944-9988. You can also contact Marge and Ted Glowa from the ADK Carousel at tedglowa@aol.com and they can get you more information on the charity or your participation in the event.

Come on out and see some world class golf and support the ADK Carousel!
